UCC – Overview
eLearning module

This easy-to-use eLearning module provides on **overview** about what the **_Union Customs Code (UCC)_** is bringing. It focusses on the **key features**, the **impact** on customs authorities and trade and the **transitional measures** in place to move from Community Customs Code (CCC) to the new UCC.

To fully benefit of the potential of this course, we recommend to integrate the course in your own training programme and to develop a full blended learning programme.

Target audience

All customs officials and **trade** who need to be informed about the changes the UCC is bringing compared to the preceding customs legislation, the CCC.
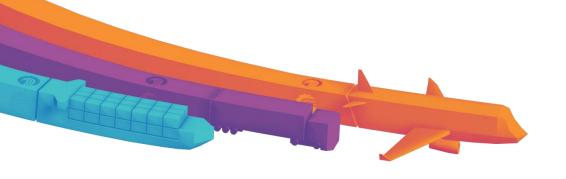

Available languages

This module will be made available in all 22 EU languages (except for ga and mt).
For the current state of play, consult the table on the _EUROPA_ website.
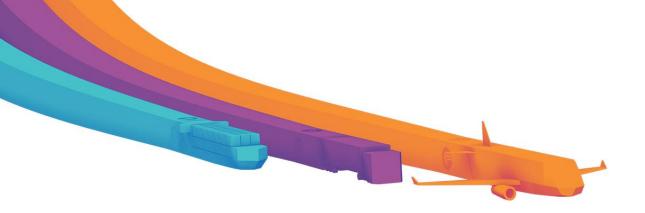

Learning objectives

By the end of this 105-minutes course, you will have learned about:
- the reasons why the UCC has been introduced and why EU Customs is being modernised;
- the new aspects of the UCC and its changes, which differentiate the UCC from the CCC;
- the impact of the UCC on both the public and private sector.
- the timescales of the UCC transitions.
- the different legal acts of the UCC package: Delegated Act (DA), Implementing Act (IA) and Transitional Delegated Act (TDA).

Particularities of this module

The changes brought by the UCC are addressed in detail per customs activity.

Within this module you are free to consult any domain of your interest in the order that you wish by clicking on the corresponding item.

General features

You may interrupt your course. When reopening the course you can resume where you have left the course off. The completed sections are indicated in yellow in the menu.

A course summary of the most relevant information is made available in a printable format in the course library.

How to start and use these eLearning courses?

- Freely download the eLearning module using the *download form.*
- For .iso, .exe, .html and .html5 choose the regular zip folder.
- For the .scorm version to be integrated in your LMS system choose the (scorm) zip folder.
- Read the Quick Start Guide available in the downloaded zip folder. It explains how to install the courses to your system.
- Using the course does not require a high level of information technology skills from the learners.
- In case of technical issues contact first your local administrator. If the problem persist, send the description (including screenshots) to taxud-elearning@ec.europa.eu

Customs Procedures and Customs Declarations	Entry of Goods	Temporary Storage	Release for Free Circulation	Binding Tariff Information (BTI)
Origin of Goods	Customs Valuation	Customs Status of Goods	Customs Debt	Guarantee
Special Procedures other than Transit	Customs Transit	Export	Customs Decisions	Authorised Economic Operator

How were the courses developed?

This course is one of the modules of an extensive UCC EU eLearning programme (see *EUROPA* website).
This UCC EU eLearning programme can be followed as a complete programme,
However, the modules are designed to allow the selection of single module in function of your professional competency needs.

The courses were developed under the Customs 2020 Programme. The UCC eLearning programme content was created by a project team comprised of a pool of customs experts from national administrations and private sector in close collaboration with the Taxation and Customs Union Directorate General of the European Commission.
